ELIGIBILITY REQUIREMENTS

The eligibility requirements for applicants seeking admission from abroad are as follows:

1. Applicants who are in their final year of secondary education or have already graduated, provided that they meet one of the following conditions:

a. Foreign nationals.

b. Individuals who were Turkish citizens by birth but obtained permission from the Ministry of Interior to renounce Turkish citizenship, as well as their minor children who are registered in the Certificate of Renunciation of Turkish Citizenship and who hold a document certifying their right to benefit from the rights granted under the Turkish Citizenship Law.

Pursuant to Article 7 of the Turkish Citizenship Law No. 5901, "A child born within or outside Türkiye to a Turkish citizen mother or father within wedlock shall be a Turkish citizen." Therefore, applicants intending to apply under international student admission quotas are advised to review the relevant provisions of the Turkish Citizenship Law.

c. Individuals who were originally foreign nationals but later acquired Turkish citizenship, as well as dual nationals in this category.

c.

1) Turkish citizens who commenced their secondary education abroad before 1 February 2013, provided that they completed the last three years of their secondary education in a foreign country other than the Turkish Republic of Northern Cyprus (TRNC). This also includes students who completed their entire secondary education at Turkish schools established abroad under the Turkish Ministry of National Education (excluding the TRNC).

2) Applicants who commenced their secondary education abroad on or after 1 February 2013, provided that they completed their entire secondary education in a foreign country other than the TRNC. This also includes students who completed their entire secondary education at Turkish schools established abroad under the Turkish Ministry of National Education (excluding the TRNC).

e. Citizens of the Turkish Republic of Northern Cyprus (TRNC) who reside in the TRNC and have completed their secondary education there and possess GCE A Level qualifications, as well as those who enrolled in secondary schools or colleges in other countries between 2005 and 2010 and have obtained or will obtain GCE A Level qualifications, are eligible to apply.

2. Applications from the following candidates shall not be accepted:

a. Turkish citizens who have completed their entire secondary education in Türkiye or the Turkish Republic of Northern Cyprus (TRNC).

b. Citizens of the TRNC, except those who completed their entire secondary education in TRNC high schools and hold GCE A Level qualifications, or those who enrolled in secondary schools or colleges in other countries between 2005 and 2010 and have obtained or will obtain GCE A Level qualifications.

c. Dual nationals whose first nationality by birth is the Republic of Türkiye, as defined in Article 1(b), except those who satisfy the conditions specified in Article 1(ç)(1).

d. Dual nationals, one of whose nationalities is that of the TRNC, except those who completed their entire secondary education in TRNC high schools and hold GCE A Level qualifications, or those who enrolled in secondary schools or colleges in other countries between 2005 and 2010 and have obtained or will obtain GCE A Level qualifications.

e. Turkish citizens, or dual nationals whose first nationality by birth is the Republic of Türkiye as defined in Article 1(b), who have studied at schools affiliated with foreign embassies in Türkiye or at foreign high schools located in Türkiye.

ADMISSION REQUIREMENTS AND REGISTRATION PROCEDURES

International applicants seeking admission to Hakkari University must satisfy the following requirements:

a. Applicants must have taken one of the equivalent secondary school graduation and/or university entrance examinations recognized nationally or internationally and listed in Table 1, and must have obtained at least the minimum score specified therein.

b. Applicants must possess a valid secondary school graduation grade (high school GPA) according to the grading system of their country.

c. Applicants may apply to a maximum of five (5) academic programmes.

Placement is made according to the order of preferences and the University's evaluation system. The examination scores listed in Table 1 are converted to a 100-point scale, with 100 being the highest possible score. The placement process is then finalized based on the applicant's secondary school graduation grade.

In the event of a tie in the placement score, preference shall be given first to the younger applicant and subsequently to the applicant who graduated from secondary education more recently.

d. The evaluation and placement of applicants to programmes admitting students through a special talent examination shall be carried out in accordance with the principles and procedures determined by the relevant academic unit on the dates announced by the University.

e. The minimum financial resources required for international students to pursue their studies at the University shall be determined annually by the University Executive Board and announced together with the admission requirements.

f. Applicants who are granted the right to enrol at the University as a result of the evaluation process must complete their registration by submitting the required documents within the registration period determined by the University Senate.

g. Applicants' Turkish language proficiency shall be determined based on one of the following certificates:

- Turkish Language Proficiency Certificate issued by the Turkish Language Teaching Research and Application Centers (TÖMER) of Turkish universities;
- Turkish Language Proficiency Certificate issued by the Yunus Emre Institute;
- Turkish Language Certificate issued in accordance with the Common European Framework by the Council of Europe.

h. Registration procedures shall be carried out by the Registrar's Office (Department of Student Affairs). Applications with incomplete or missing registration documents shall not be accepted.

EVALUATION OF APPLICATIONS, PLACEMENT PROCEDURES, TUITION FEES, AND VISA / HEALTH INSURANCE PROCEDURES

Evaluation of Applications

a. The International Student Commission shall be responsible for reviewing applications, conducting the preliminary evaluation, overseeing examinations and selection procedures where applicable, and announcing the admission results for applicants to the programmes admitting international students at Hakkari University.

- b.** The evaluation of applications to programmes admitting students through a special talent examination shall be conducted by the relevant academic unit.
- c.** Applicants whose examination results and secondary school diploma grades are based on different grading systems shall have their scores converted to a 100-point scale for evaluation.

Placement Procedures

- a.** The placement list of applicants whose applications have been accepted shall be announced on the University's official website on the dates specified in the academic calendar.
- b.** If vacancies remain after the placement process conducted according to the academic calendar, additional applications may be accepted on the dates determined by the University.
- c.** During the placement process, if applicants have equal diploma grades and placement scores in accordance with the criteria specified in Table 1, preference shall be given to the younger applicant.
- d.** The number of students of the same nationality admitted to any academic unit shall not exceed 20% of the total international student quota allocated to the programmes within that unit. If quotas remain unfilled, the remaining vacancies may be filled according to applicants' placement scores without applying this restriction.
- e.** Hakkari University reserves the right to fill or not to fill the announced quotas. Meeting the minimum application requirements does not guarantee admission or placement.
- f.** Letters of Acceptance shall be sent to the e-mail addresses provided by the applicants whose applications have been accepted.
- g.** Applicants who fail to complete their registration within the specified registration period shall forfeit their right to enrol.
- h.** If the announced quotas remain unfilled, the International Student Commission may, where deemed necessary, admit additional applicants who apply in person, taking into consideration their placement scores and programme preferences.

Application Fee

A non-refundable application fee of **USD 20** is required for all international student applications. To be eligible for evaluation, applicants must deposit the application fee into the bank account specified below and upload the payment receipt to the online application system.

The application fee is non-refundable for applicants who are not admitted or who fail to complete their registration.

For applicants who are admitted and complete their final registration, the application fee paid shall be deducted from the tuition fee.
