ACCEPTANCE REQUIREMENTS AND REGISTRATION GUIDELINES

Students coming from abroad must meet the following conditions in order to be admitted to the University;

- a. Having taken one of the equivalent exams listed in the supplementary table (Table-1) in the status of internationally and nationally valid high school graduation and/or university entrance exams and having achieved the minimum score shown in the table.

- b. Having a secondary school graduation score in their system.
- c. Candidates can apply to a maximum of 5 programs. Students are placed in a program according to the score system determined by the University based on the order of preference. In placement, the scores of the candidates (Table-1) for the exams are converted into a hundred-score system to admit the highest 100 (one hundred) score. Then, the placement process is continued based on the graduation score. In case of equality in placement scores, preference is given to the younger one, then the one who has newly graduated from secondary education.
- d. The evaluation and placement procedures of the candidates who apply to the programs that admit students with a special aptitude exam are carried out in accordance with their own principles and procedures on the dates to be announced by the University.
- e. The amount of financial security to continue their higher education in our country is determined by the University Administrative Board in order to ensure that the students who will be admitted from abroad.
- f. According to the results of the evaluation, students who are entitled to enroll in the University must register with the necessary documents between the dates determined by the University Senate.
- g. Students' Turkish language proficiency level is determined according to the Turkish Language Proficiency Certificate of the Turkish Language Teaching Research and Application Centers of the Universities, the Turkish Language Proficiency Certificate issued by Yunus Emre Institute and the European Council Turkish Language Certificate.
- h. Registration procedures are carried out by the Student Affairs Department. Registrations of students with missing documents are not admitted.

EVALUATION OF APPLICATIONS, PLACEMENT PROCEDURES, CONTRIBUTION / TUITION FEE AND VISA / INSURANCE PROCEDURES

Evaluation of Applications

- a. The International Student Commission carries out the applications, preliminary examinations, examinations, selections and announcement of the results of the candidates who apply to the programs where our university accepts international students.
- b. As a result of the applications, the relevant unit carries out the evaluation procedures of the programs that admit students with the aptitude test.
- c. The scores of students with different international diploma score types are converted into a hundred (100) system and evaluated

Placement procedures

- a. The placement list of the candidates whose applications are admitted is announced on the website of our university on the dates specified in the academic calendar.
- b. Applications can be admitted again on the dates to be determined by our university for the quotas that remain vacant as a result of the placement process made on the dates specified in the academic calendar.
- c. While making the evaluation, if the diploma and success scores are equal according to the principles determined in Table-1, the younger candidate is preferred.
- d. The number of students from the same country admitted to a unit cannot exceed 20 percent of the total international student quota of the programs affiliated to this unit. If the quotas are not filled, candidates are placed in the unfilled quotas in order of success score, regardless of this rule.

- e. Hakkari University is free to fill the quotas or not. Meeting the application requirements does not require admission for placement.
- f. The acceptance letter of the candidates whose applications are admitted is sent to the e-mail addresses they declared.
- g. Students who do not register on the registration dates lose their right to register.
- h. If the specified quotas are not filled, if deemed necessary, students can be admitted by the International Student Commission, taking into account the score and preference superiority, provided that the students apply in person.
